1966 was a year like no other. It was a time of great change and upheaval, both in the world at large and in the lives of ordinary people. It was the year of the Vietnam War, the civil rights movement, and the cultural revolution. It was also the year of the Beatles, the Rolling Stones, and the miniskirt.

In his book *1966 And All That*, Andy Steer takes readers on a nostalgic journey through this iconic year. With vivid descriptions and insightful commentary, Steer brings to life the cultural, social, and political events that shaped this unforgettable era.

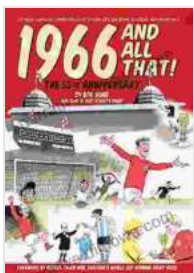

Steer begins his book with a look at the world in 1966. The Cold War was still raging, and the threat of nuclear war was ever-present. The United States was deeply involved in the Vietnam War, and the anti-war movement was growing stronger. At the same time, the civil rights movement was making significant progress, and the country was on the cusp of major social change.

Steer then turns his attention to the cultural scene in 1966. This was the year of the Beatles' *Revolver* album, the Rolling Stones' *Aftermath* album, and the release of the groundbreaking film *Blowup*. It was also the year of the miniskirt, the beehive hairdo, and the psychedelic fashion scene. Steer

captures the excitement and energy of this time, and he shows how the cultural revolution of the 1960s was in full swing.

Finally, Steer examines the political events of 1966. This was the year of the presidential election between Lyndon B. Johnson and Richard Nixon. It was also the year of the Tet Offensive, which marked a turning point in the Vietnam War. Steer provides a balanced and insightful account of these events, and he shows how they shaped the course of American history.

1966 And All That is a captivating book that will appeal to anyone who is interested in the 1960s. It is a nostalgic journey through a time of great change and upheaval. Steer's vivid descriptions and insightful commentary bring the era to life, and he provides a valuable perspective on the events that shaped the world we live in today.
