

Dusty Finishes: Bad Referees And More

By Dusty Rhodes

I've been in the wrestling business for over 40 years, and I've seen it all. I've seen the good, the bad, and the ugly. I've seen some of the greatest wrestlers of all time, and I've seen some of the worst. I've seen some of the most memorable matches of all time, and I've seen some of the most forgettable. But one thing I've never seen is a book that tells the real story of what it's like to be a professional wrestler.

That's why I wrote *Dusty Finishes: Bad Referees And More*. I wanted to give fans a behind-the-scenes look at the world of professional wrestling. I wanted to show them what it's really like to travel from town to town, to perform in front of thousands of people, and to put your body on the line night after night.

Dusty Finishes is full of stories about my experiences as a wrestler. I talk about the good times, the bad times, and the funny times. I talk about the matches that made me proud, the matches that made me cringe, and the matches that I wish I could forget.

But *Dusty Finishes* is more than just a collection of stories. It's also a look at the business of professional wrestling. I talk about the politics, the money, and the egos. I talk about the things that make wrestling great, and the things that make wrestling suck.

If you're a fan of professional wrestling, then you need to read *Dusty Finishes*. It's the real story of what it's like to be a professional wrestler. It's a story of blood, sweat, and tears. It's a story of triumph and defeat. It's a story of love and hate. It's a story of the human spirit.
