Join author and adventurer John Smith as he ventures into the remote regions of Nepal, where he stumbles upon a secret network of trails once used by guerrilla fighters during the Nepalese Civil War. These trails, now overgrown and forgotten, lead to breathtaking landscapes and encounters with enigmatic locals.

### Uncover the Secrets of the Yarsa Trails

As Smith follows the Guerrilla Trails, he uncovers a peculiar and lucrative trade that has emerged in the highlands: the harvest of yarsa gumba, a rare and prized fungus. Believed to possess medicinal properties, yarsa gumba is highly sought after and commands a hefty price. The quest for

this valuable commodity has lured a motley crew of trekkers, traders, and opportunists to the trails.

Smith immerses himself in this vibrant and often dangerous world, witnessing firsthand the challenges and rewards of the yarsa gumba trade. Along the way, he encounters colorful characters, including a former guerrilla fighter who has become a successful yarsa gumba hunter, and a young woman who dreams of using the proceeds from her harvest to build a school in her village.
