The Best Fishing Spots

Mid Cornwall's North Coast is home to a wealth of prime fishing locations. Here are some of the most popular and productive spots to cast your line:

- **Porthtowan:** This picturesque harbor is known for its productive bass and pollack fishing. The rocky coastline provides excellent opportunities for lure fishing and bait fishing.

- **St Agnes:** This charming village is nestled between two headlands, creating a sheltered bay that attracts a variety of fish species. Anglers can expect to catch bass, pollack, wrasse, and mackerel.
- **Perranporth:** This expansive beach offers excellent surf fishing opportunities. Cast your line for bass, sea trout, and flatfish.
- **Newquay:** The surfing capital of Cornwall also boasts excellent sea angling. The headlands and beaches provide prime spots for targeting bass, pollack, and mackerel.
- **Padstow:** This historic fishing port is renowned for its seafood and offers excellent angling opportunities. The Camel Estuary and surrounding coastline are home to bass, pollack, sea trout, and flatfish.

Effective Fishing Techniques

To maximize your chances of success, it's essential to employ the right fishing techniques. Here are some proven methods for sea angling around Mid Cornwall's North Coast:

- **Lure Fishing:** This technique involves using artificial lures to attract fish. Lures can be retrieved in a variety of ways to imitate the movement of baitfish.
- **Bait Fishing:** This traditional method involves using bait, such as live bait or frozen bait, to attract fish. Bait can be fished on the bottom, mid-water, or near the surface.
- **Spinning:** This technique involves casting a lure and retrieving it with a spinning reel. Spinning is an effective method for targeting predatory fish, such as bass and pollack.

- **Float Fishing:** This technique involves using a float to keep a baited hook suspended in the water. Float fishing is ideal for targeting species that feed near the surface.

Target Species

The waters around Mid Cornwall's North Coast support a diverse range of fish species. Here are some of the most commonly targeted species:

- **Bass:** This popular species is found in abundance along the North Coast. Bass can be caught using a variety of techniques, including lure fishing and bait fishing.
- **Pollack:** Another popular species, pollack is known for its aggressive feeding behavior. Pollack can be caught using lures, baits, and spinners.
- **Mackerel:** These schooling fish are often found in large numbers around the headlands and beaches. Mackerel can be caught using feathers, lures, and spinners.
- **Sea Trout:** These migratory fish can be found in the Camel Estuary and other coastal rivers. Sea trout are typically caught using flies or lures.
- **Flatfish:** Species such as plaice and flounder can be found in the sandy bays and estuaries around the North Coast. Flatfish are usually caught using bait fishing.

Essential Gear

To ensure a successful sea angling trip, it's crucial to have the right gear. Here's a checklist of essential items:

- Rod and reel suitable for sea angling
- Variety of lures and baits
- Landing net
- Pliers
- Knife
- Headlamp or torch
- First-aid kit
- Waterproof clothing and footwear

Safety Considerations

Sea angling can be an enjoyable and rewarding activity, but it's important to prioritize safety. Here are some essential safety tips:

- Always check the weather forecast before heading out.
- Never fish alone, especially in unfamiliar areas.
- Wear appropriate clothing and footwear to protect yourself from the elements.
- Be aware of the tides and currents in the area you're fishing.
- Respect other anglers and share the fishing spots.
- Follow responsible fishing practices and release any undersized or unwanted fish.
