

# Mammals of China: An In-Depth Guide to China's Diverse Mammalian World

---

China is one of the world's most biologically diverse countries, boasting a rich and varied mammalian fauna. From the iconic Giant Pandas to the elusive Snow Leopards, China is home to over 550 species of mammals. The book "Mammals of China: Princeton Pocket Guides" is a comprehensive guide to this diverse and fascinating group of animals.

## Content and Organization

### Mammals of China (Princeton Pocket Guides Book 9)

by Andrew T. Smith

★★★★☆ 4.3 out of 5

Language : English

File size : 46492 KB

Print length : 400 pages

Screen Reader : Supported

The book is divided into two main sections:

### 1. Identification Guide:

This section provides detailed descriptions and identification keys for all 550+ species of mammals found in China. Each species account includes information on morphology, coloration, habitat, distribution, and behavior. High-quality photographs and illustrations aid in identification, making the guide accessible to both experts and enthusiasts.

## 2. Natural History Essays:

This section provides in-depth essays on the natural history, ecology, and conservation of China's mammals. Topics covered include:

- Mammalian Habitats of China
- Conservation Challenges and Initiatives
- The Evolution of Chinese Mammals
- Mammalian Adaptations to Extreme Environments
- The Role of Mammals in Chinese Culture and Folklore

## Unique Features

- **Comprehensive Coverage:** Provides detailed information on all 550+ species of mammals found in China, making it the most authoritative guide on the subject.
- **Expert Authorship:** Written by leading mammalogists from China and the United States, ensuring accuracy and scientific rigor.
- **Stunning Photography:** Features over 1,000 high-quality photographs and illustrations, capturing the beauty and diversity of China's mammalian fauna.

- **Convenient Size:** Princeton Pocket Guides are designed to be easily portable, making them ideal for field observations and wildlife enthusiasts.
- **Accessible and Engaging:** Written in clear and engaging prose, the guide is accessible to both general readers and specialists.

## Target Audience

"Mammals of China: Princeton Pocket Guides" is a must-have resource for:

- **Wildlife enthusiasts and nature lovers:** Provides a comprehensive overview of China's extraordinary mammalian world.
- **Students and Researchers:** Offers a wealth of information for academic studies and research projects.
- **Conservationists:** Provides insights into the challenges and opportunities for mammal conservation in China.
- **Travelers and Adventure Seekers:** Serves as an essential companion for wildlife viewing and nature-based tourism in China.

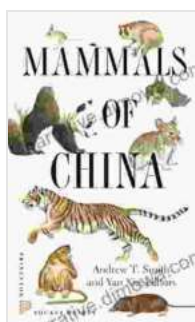

## Reviews and Endorsements

"An indispensable guide for anyone interested in the mammals of China. Highly recommended." - Dr. John A. Finarelli, The Field Museum of Natural History

"A beautifully illustrated and informative masterpiece that brings the mammals of China to life." - Dr. Lu Zhi, Chinese Academy of Sciences

---

"Mammals of China: Princeton Pocket Guides" is an essential resource for anyone interested in the mammals of China.
