In the small town of Miracle Creek, Virginia, a seemingly ordinary day at the local swimming pool turns into a nightmare. A young boy drowns, and the community is shattered. As the investigation unfolds, it becomes clear that something more sinister is at play.

Angie Kim's debut novel, *Miracle Creek*, is a mesmerizing tale of suspense and loss that explores the depths of human nature and the complexities of family. The novel follows four interconnected families whose lives are forever changed by the tragedy.

There's the Park family, who runs the swimming pool. The Kim family, whose son, Henry, drowned. The Barton family, whose daughter, Mary, was also in the pool that day. And the Reynolds family, who owns the local funeral home.

As the investigation progresses, each family is forced to confront their own secrets and lies. The Parks must grapple with the guilt of their son's death. The Kims must come to terms with their grief and anger. The Bartons must face the truth about their daughter's behavior. And the Reynolds must deal with the ethical implications of their business.

Kim's writing is both beautiful and haunting, and she creates a world that is both familiar and strange. *Miracle Creek* is a novel that will stay with you long after you finish it.
