Philosophy, Theology, and Practical Ethics: An Interdisciplinary Exploration of Values and Action is a comprehensive and thought-provoking examination of the interrelationship between philosophy, theology, and practical ethics. This book brings together leading scholars from a variety of disciplines to explore the ways in which these fields can inform and enrich one another.

The book is divided into three parts. The first part, "Foundations," provides an overview of the philosophical and theological foundations of practical ethics. The second part, "Values," explores the nature of values and their role in ethical decision-making. The third part, "Action," examines the

relationship between values and action, and the ways in which we can translate our moral beliefs into concrete actions.

Philosophy, Theology, and Practical Ethics is essential reading for anyone interested in the intersection of these three fields. It is an invaluable resource for scholars, students, and practitioners alike.
