Bushard, a former guitarist for the platinum-selling band Candlebox, left the music industry behind in 2004 to become a math teacher at an inner-city school in Seattle. His decision shocked many, but it was a natural progression for a man who had always loved learning and teaching.

Bushard's journey from rock star to teacher is a testament to the power of education. He believes that all students have the potential to succeed, regardless of their background or circumstances. And he is passionate about using his music and his teaching skills to help students reach their full potential.

Bushard's story is an inspiration to anyone who has ever dreamed of making a difference in the world. It is a reminder that it is never too late to follow your dreams, no matter how unconventional they may seem.

From Rock Star to Teacher

Bushard was born in Seattle in 1969. He started playing guitar at a young age, and by the time he was a teenager, he was playing in local bands. In 1993, he joined Candlebox, which went on to sell millions of records and tour the world.

Despite his success in the music industry, Bushard never lost his love of learning. He continued to take classes at the University of Washington, and he eventually earned a master's degree in education.

In 2004, Bushard decided to leave Candlebox and pursue a career in teaching. He got a job at Garfield High School in Seattle, where he teaches math to inner-city students.

Bushard's transition from rock star to teacher was not without its challenges. He had to adjust to a new lifestyle and a new set of expectations. But he quickly found that he loved teaching. He was able to use his music and his passion for learning to connect with his students and help them succeed.

The Power of Education

Bushard is a firm believer in the power of education. He believes that all students have the potential to succeed, regardless of their background or circumstances. And he is passionate about using his music and his teaching skills to help students reach their full potential.

Bushard's students come from all walks of life. Some are struggling with poverty, while others are dealing with personal or family problems. But Bushard never gives up on them. He believes that every student has something to offer, and he is determined to help them find their own path to success.

Bushard's story is a reminder that education is not just about learning facts and figures. It is about developing the skills and knowledge that students need to be successful in life. And it is about inspiring students to reach their full potential.

Never Too Late to Follow Your Dreams

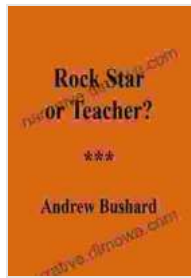

Bushard's journey from rock star to teacher is an inspiration to anyone who has ever dreamed of making a difference in the world. It is a reminder that it is never too late to follow your dreams, no matter how unconventional they may seem.

If you have a passion for something, don't be afraid to pursue it. You never know what you might achieve.

Andrew Bushard's Book
