Rosie Revere and the Raucous Riveters: The Questioners is a delightful and inspiring picture book about the power of curiosity and perseverance. Join Rosie and her friends as they work together to solve a problem and build a better world. With its charming illustrations and engaging story, this book is sure to delight children and adults alike.

## The Story

Rosie Revere is a curious and inventive girl who loves to solve problems. When her Great-Great-Aunt Rose comes to visit, Rosie is inspired to build a flying machine. With the help of her friends, Iggy Peck and Ada Twist, Rosie sets out to design and build the most amazing flying machine ever.

But building a flying machine is not easy. Rosie and her friends encounter many challenges along the way. But they never give up. They keep asking questions, experimenting, and learning from their mistakes. In the end, they succeed in building a flying machine that is truly extraordinary.

## **The Characters**

Rosie Revere is a strong and determined girl who is not afraid to follow her dreams. She is also a great friend and always willing to help others.

Iggy Peck is a clever and curious boy who loves to learn new things. He is always asking questions and trying to figure out how things work.

Ada Twist is a scientist and inventor who is always looking for new ways to make the world a better place. She is always experimenting and trying new things.

Together, Rosie, Iggy, and Ada are a powerful team of friends who can solve any problem.

## **The Themes**

*Rosie Revere and the Raucous Riveters: The Questioners* teaches children about the importance of curiosity, perseverance, and teamwork. It also shows children that it is okay to make mistakes and that learning from our mistakes is part of the learning process.

This book is a great way to inspire children to be curious and to never give up on their dreams. It is also a great way to teach children about the importance of teamwork and friendship.

## **The Illustrations**

The illustrations in *Rosie Revere and the Raucous Riveters: The Questioners* are bright and colorful and full of energy. They perfectly capture the spirit of the story and bring the characters to life.

David Roberts' illustrations are full of detail and humor. He has a knack for capturing the expressions and emotions of the characters, and his illustrations add a lot of depth and richness to the story.

## **The Author**

Andrea Beaty is the author of many popular picture books, including *Rosie Revere, Engineer*; *Iggly Peck, Architect*; and *Ada Twist, Scientist*. She is also the co-author of the *Questioners* chapter book series.

Beaty's books are known for their engaging stories, charming characters, and positive messages. She has a gift for writing books that children love to read.

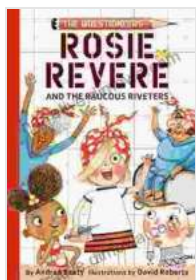

## **The Illustrator**

David Roberts is a *New York Times* bestselling illustrator. He has illustrated many popular picture books, including *Rosie Revere, Engineer*; *Iggly Peck, Architect*; and *Ada Twist, Scientist*.

Roberts' illustrations are full of energy and humor. He has a knack for capturing the expressions and emotions of the characters, and his illustrations add a lot of depth and richness to the stories.

*Rosie Revere and the Raucous Riveters: The Questioners* is a delightful and inspiring picture book about the power of curiosity and perseverance. Join Rosie and her friends as they work together to solve a problem and build a better world. With its charming illustrations and engaging story, this book is sure to delight children and adults alike.

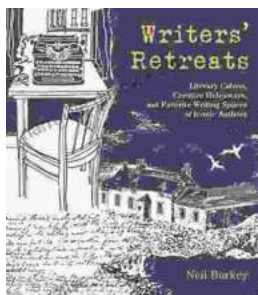

I highly recommend this book to children and adults of all ages. It is a great way to inspire children to be curious and to never give up on their dreams. It is also a great way to teach children about the importance of teamwork and friendship.
