The London Underground is one of the most iconic and recognizable public transport systems in the world. Its distinctive roundel logo and colorful station signs are instantly recognizable, and its network of lines and stations criss-crosses the capital, providing a vital service to millions of commuters every day.

But what if you could experience the London Underground in a whole new way? What if you could see the stations not as destinations, but as puzzles to be solved? That's exactly what this game of guessing pictograms London Underground stations is all about.

How to play

The game is simple to play. You'll be shown a series of pictograms, and your task is to guess which London Underground station they represent.

Some of the pictograms will be easy to guess, while others will be more challenging. But don't worry, there are no time limits or penalties for getting it wrong. Just have fun and see how many you can get right.
